NGUYỄN VĂN DŨNG

"My name is Nguyen Van Dung . I was born and grew up in Da Nang City, I have just graduated from Duy Tan university width Software Engineering.
I like watching and playing football. I'm a careful and hard-working person. I'm eager to learn new things and willing to work in team.
I am looking forward to learning and work in the IT industry, to become a Front-End in the future.
